

# ***Design Committee Agenda***

**North Park Main Street**

**Tuesday, September 2nd, 2014 at 5:30 p.m.**

***Location: North Park Main Street Office 3076 University Ave  
(619) 294-2501***

## **Introductions**

## **Approval of Agenda**

## **Announcements and Public Comment**

### **Urban Forest Management Plan Presentation**

*Danielle Nisan from City of San Diego and the California Urban Forest Council will be here to present the project*

*Project Description: A vigorous and engaged urban forestry program is critical to meeting San Diego's commitment to climate change, carbon sequestration, stormwater reduction, and water conservation. With these goals in mind, the city has will develop a long-range urban forest management plan to guide the city's urban forest into the future.*

### **Project Review: Habitat on 31<sup>st</sup>**

*Chris Martin from Benjan Arfaa Architects will be here to present the project*

*Project Description: HABITAT on 31st and will be located on 31st Street between University and North Park Way on the three vacant lots just south of the alley behind URBN restaurant (which is a building our partners own as well). The project will consist of an enclosed parking garage along with residential units on the ground level and 3 stories of residential apartments above for a total of 34 units.*

### **Symphony Banners**

Discussion of San Diego Symphony's request to display banners for a fee for one month between November 2014 and May 2015

### **Graffiti Urban Core**

Graffiti abatement is needed – Discussion of forming a community group to monitor frequently tagged areas

## **New Business Update**
