Program has been very successful so far, and almost all of the boxes has been repainted!

There will be an exhibition event featuring the participating artists on November 6 from 6:00 – 10:00 PM at Union Cowork on 30<sup>th</sup> Street. All proceeds will be returned to the artists to help cover the cost of supplies

**5. Phone Booths**

Similar to the Utility Box program, the Design Committee would like to repurpose the remaining pay phone booths around North Park! So far the best idea to leave them where they are and paint them, or remove them from the ground and create something new out of the materials - more discussion to follow

**6. Graffiti Captains**

Looking for volunteers to lead graffiti removal efforts – so far we have 3 volunteers but more will be needed

Next meeting committee will divide map into parcels and assign groups

Groups will be responsible for visually checking their areas each week and reporting graffiti
