

# North Park Main Street Outside Enhancement Grant

## Suggested equipment, materials

We want the North Parklets to be aesthetically pleasing, safe, and cohesive. And we're putting funds to help make that happen.

Here are some examples with links to get you started.

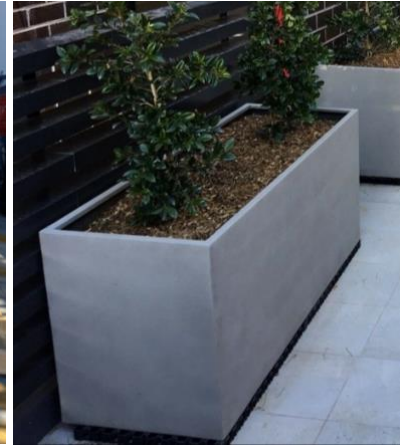

**Barriers:** Heavy Duty Planters, Concrete, Wood, Metal

[Amazon link](#)  
[Walmart](#)

[Home Depot link](#)  
[Global Industrial](#)

[Amazon link](#)  
[Wayfare](#)

North Park Nursery; 10% off for North Park Businesses (mention this and North Park Main Street)

**Fencing/Siding:** White Vinyl (white picket)

Metal Barricades with sign covers (called barrier jackets)

Metal Barricades:

Diamond

Wood fencing, framed fence panels

[Home Depot](#)  
[Lowes \(Lattice Caps to frame the lattice\)](#)

**Floor covering:** Outdoor Rug(s)  
Fake grass/turf

[Home Depot](#)  
[Lowes](#)  
[Amazon](#)  
[Costco](#)

[Home Depot](#)  
[Lowes](#)  
[Amazon](#)

**Lighting:** string lighting  
Possibly Solar lighting

[Home Depot](#)

[Lowes](#) [Amazon](#) [Costco](#)

**Shade coverings:** Patio umbrellas

Shade cloth

[Home Depot](#)

[Lowes](#)

[Amazon](#)

[Costco](#)

**Signage:** Banners, other outdoor business signage.

-Metal barricade sign coverings highly encouraged-

Barrier Jacket Designs:  
A7D Design [info@a-7-d.com](mailto:info@a-7-d.com)

**Greenery:** Plants

Plants in planters or pots, hanging plants, vining plants

Having some low water plants make a big difference for a welcoming space.

For vining plants:

Passion Fruit are easy, inexpensive and thrive in San Diego's climate. Plus they have a beautiful flower and tasty fruits in late summer.

Star Jasmine vines nicely, needs a good amount of sun and water. Has a beautiful smell.
