What's Happening this Month in North Park?

Things are looking up...

Check out these upcoming events as North Park begins to reopen!

The Taste of North Park returns Saturday, October 9th, 2021! Home to culinary innovation and cutting-edge brew-masters, North Park is a go-to San Diego destination for everything food and drink. The Taste of North Park invites culinary enthusiasts to enjoy over 40 food tastes from San Diego's best restaurants. For those looking to enjoy some hops while they walk, you can sip on the region's best craft beer. Craft brewers convene in North Park for the day to offer 4-ounce samples of their best releases as well as an array of distinctively created nonalcoholic beverages.

Book lovers, join us this summer, June 19th, 2021 at an outdoor book fair in the heart of North Park! We're partnering with our friends at Verbatim Books to host sellers from near and far with delightfully rare and special collections. There will be live talks by local authors, poetry readings, an open mic, select craft vendors, and local food vendors to compliment the long awaited joy of book browsing. The fair will be on North Park Way, between 29th & Ray. Book sellers can [register here](#).
